

Specification

(Recessed Mounting Bracket for Panel Light)

Product Name: Recessed Mounting Bracket (B)

Material:

6063-T5 Aluminum alloy

Dimension:

32*41*1.4 mm (W*H*Thickness)

Color:

Matte White

Package:

Inner box+Installation guide+ label+
Outer carton

RoHS Standard

Forming Process:

Assembling by screws.

(Easy packing, shipping, storing and saving space.)

Installation way:

Recessed

Load bearing:

10Kg

Deformation degree:

within 1mm

Usage:

Used for recessed installation of panel light

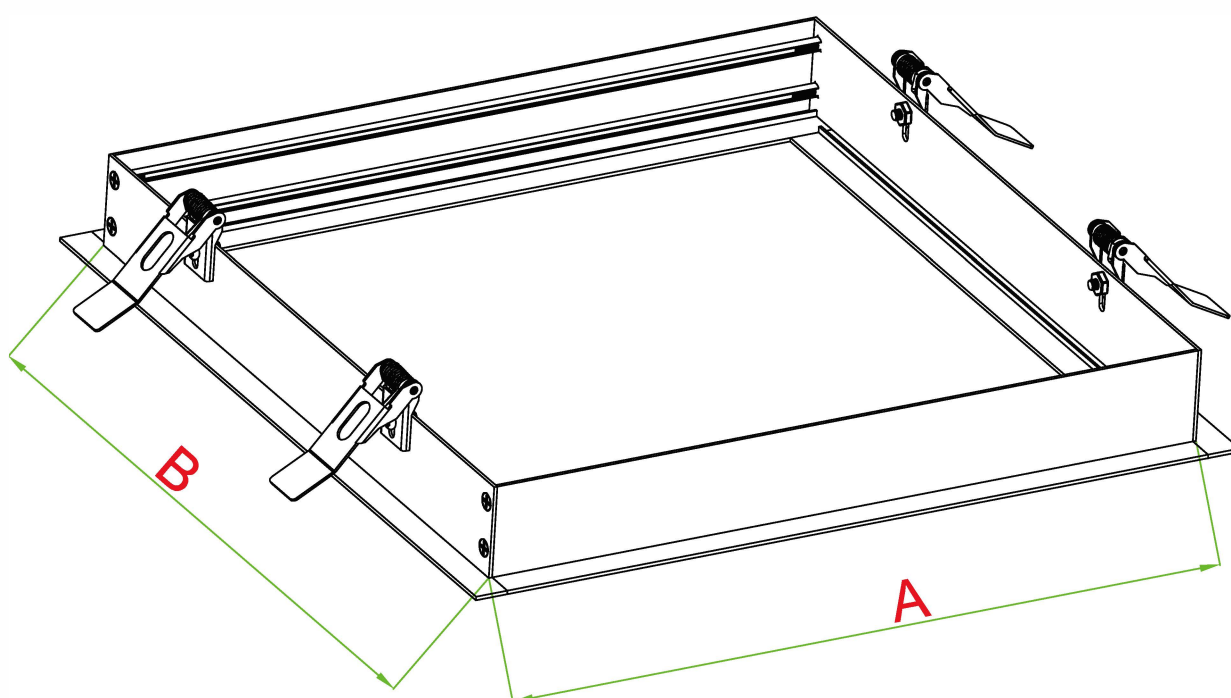

Specification

(Recessed Mounting Bracket for Panel Light)
